Applications will be considered on the basis of entertainment value. **The Shenandoah Apple Blossom Festival® reserves the right to reject any application that does not fit the needs of the parade(s) or that it deems to be offensive to a general audience. Any unit deemed on parade day by parade officials to be substantially different from the description on its application or to display behavior, signage, or dress offensive to a general audience may be denied entry into the parade or be removed from the line of march and barred from participation in future parades.**

It shall be the responsibility of the Special Unit to ensure that all participants and equipment (if any) comprising the Special Unit on the day of the parade(s) are authorized under its group policy.

It shall be the responsibility of the Special Unit to ensure that each participant in the Special Unit on the day of the parade(s) has a current liability insurance policy that covers his or her participation in the Shenandoah Apple Blossom Festival® parade(s). Should any participant in the Special Unit make use of a motor vehicle (either on or off road), non-motorized vehicle, wagon, trailer, other equipment, horse, or other animal, the Special Unit shall require that participant to have insurance coverage extending to said use.

PLEASE NOTE: The Shenandoah Apple Blossom Festival® considers itself to be completely neutral in the areas of politics, religion, commercialism, social issues, et cetera. We want our parades to exist for their entertainment value; and, to offer that entertainment value at a professional level of performance and appearance. We do not condone what we define as “special parade units” that make self-promoting political, religious, commercial or social statements. If we feel that a “special parade unit” will be attempting to make a self-promoting political, religious, commercial or social statement rather than simply entertaining the crowds, we reserve the right to refuse to allow that “special parade unit” in the parade. Entertainment value shall be determined at the sole discretion of the Festival.

Questions or additional information about your participation in either of the parades should be directed to the office.

The Shenandoah Apple Blossom Festival® is not liable for injury to spectators, persons participating in the parade, or damage to vehicles and/or personal property.
